2012 HOOPES FAMILY VINEYARDS CABERNET SAUVIGNON NAPA VALLEY, CALIFORNIA

Hoopes Family Wines are classic Cabernet Sauvignons that capture the pure relationship between grape-grower and winemaker with an old-world-meets-new-world style profile. The philosophy is simple: minimize after-harvest manipulation of the grape so that you can enjoy the most important ingredient in its true form. This is true grower-made wine.

PROPRIETOR NOTE

“Our 2012 Hoopes Vineyard Napa Valley Cabernet is made with the same care and thoughtfulness of our single vineyard series. A blend of fruit from three different sources in the Yountville and Oakville appellations, this stunning wine over-delivers for the price on intensity and richness” – *Lindsay Hoopes, Second Generation Proprietor*

TASTING NOTES

“On the nose it presents with sweet and floral elements. It reminds me of raspberry violet candies, sweet cherries, and delicate rosewater. On the mouthfeel, the wine is lush and generous, with a hint of sweetness and a full, but supple, texture. Its finish is focused and lengthy with an acidity that creates an integrated finish.” – *Anne Vawter, Winemaker*
